perplexity | ENTERPRISE pro                    WILEY

# Perplexity now integrates with Wiley

Wiley subscribers can now get fast, reliable answers to complex questions through our integration with Perplexity Enterprise Pro. This powerful combination allows you to search both Wiley publications and the latest web information.

Through live Perplexity AI-powered research, educators and students can easily surface insights from your existing Wiley content alongside up-to-date web resources.

## Develop curriculum

+ Build curriculum with recent news and research
+ Prep discussion topics
+ Generate case studies

### Sample Queries

→ Compare State Boards of Nursing 2025 management guidelines with Wiley's *Acute Care for Nurses* textbook chapter and highlight main differences

→ Analyze 2025 Singapore healthcare reforms using Wiley's *World Health System* theories - create debate prompts

→ Cross-reference Wiley's *Medicines Management: A Guide for Nurses* drug interactions table with FDA's 2024 MedWatch alerts

→ Generate a case study on using Wiley's *Exploring Management* strategic decision making models to Apple's supply chain disruptions

→ Analyze 2024 UPS unionization efforts using Wiley's *Organizational Psychology and Organizational Behavior* theories on power dynamics – create debate prompts for MBA students

## Study buddy

+ Help in understanding coursework
+ Exam preparation
+ Cited research support for essays and theses

### Sample Queries

→ Explain post-op infection prevention using Wiley's *Clinical Skills for Nurses* and latest CDC wound care videos

→ Compare WHO's 2025 maternal mortality reduction targets to Wiley's *Nursing the Cardiac Patient* – design QI checklist for clinical rotations

→ Quiz me on Wiley's *Calculation Skills for Nurses* with ER case simulations

→ Outline pros/cons of hybrid work models using Wiley's *HR Management* and 2024 Upwork's Freelance Workforce Report
